RAMADAN PROJECT

ZAKAT FUND

2023

The humanitarian, economic, and social conditions in Gaza Strip have been worsening day after day in the absence of real solutions to the siege that extends for more than 16 years, and which has also invaded by five devastating attacks. As a result, Palestinians found themselves forced to find solutions that help them adapt to the tragic living situation resulting from the siege which led to a severe shortage of basic supplies such as electricity, water, health facilities, as well as municipal and social services.

During all this period, the inhabitants have been struggling hard to withstand all these challenges. However, the most recent aggressive attacks against Gaza Strip in May 2021 and in August 2022 have left a human tragedy that affected all the Gaza community members, and everyday life became more difficult due to the continued strict restrictions on the strip.

However, these impoverished families are never alone since they have generous, charitable people around who never hesitate to offer a helping hand and support people in need. These philanthropists are OUR BROTHERS at "Zakat Fund - Russia" We, at "Refah Çocuk Derneği", thank you for supporting our Ramadan Project under the title "May Goodness Be Complemented with our Collaboration". We proudly declare that you have freed the distressed families and their children with your generous contribution by securing food for them in the blessed month of Ramadan, and thus, relieving them of part of their existing burdens and supporting them in such difficult ordeal and tough living circumstances.

Finally, our families in need and orphans in **Palestine** are still suffering from the harsh reality on all aspects of life; therefore, providing them with more financial and moral support is our priority. We all hope and we are certain that you will always be the pioneers in offering help to serve humanity.

May you always be the pioneers in offering help to serve humanity.

A Letter of Appreciation

Our Prophet (PBUH) said: "He who does not thank people, does not thank Allah."

In the name of the families of orphans and children in need in Palestine,

We would like to express our sincere thanks and appreciation to our brothers at **"Zakat Fund -Russia"** for their contribution in supporting "Ramadan Project" to our Palestinian Families in need and their orphans in Palestine, who always keep generous people like you in their prayers for the great humanitarian work you are offering them in days of their utmost need. Your support during these days is not only helping them make a living but also drawing joyful smiles on their faces and pouring happiness into their hearts.

May Allah please you in this life and the Hereafter, and may you always be a source of sustenance and service to humanity.

Expressing our sincere gratitude isn't enough to pay you back for your blessed efforts. We ask Allah to help you offer more charitable and beneficial support to others, bless your lives, and make what you offer an asset to you.

Allah (SWT) said: "Say, Act. Allah will see your actions, as will His Messenger and the believers..." (Al-Taw bah, 105)

May Allah accept your good deeds, and may you always be a source of sustenance and service to humanity.
